We're magical girls

Summary

A simple microfic introducing This Way Madness Lies' heroines.

- A translation of [Nous sommes des magical girls](#) by [MiaQc](#)

Hello everyone. I'm Imogen, a student at the prestigious Stratford-Upon-Avon High. I'm friends with Beatrice, Kate, Miranda, Paulina, Rosalind and Viola.

To the rest of the world, we're just ordinary teenagers but we have a secret. I'm sure you've already guessed it. Yes, we are magical girls!

I am Ingenue Garnet. Beatrice is Ingenue Amethyst. Kate is Ingenue Tanzanite. Miranda is Ingenue Citrine. Paulina is Ingenue Aquamarine. Rosalind is Ingenue Emerald. Viola is Ingenue Amber.

We travel through worlds via portals to confront the forces of evil. We saved the great Shakespeare's legacy not long ago, as well as Anne Shirley's world, Avonlea. It's only a matter of time before a new adventure begins for us. Oh, I did have a short mission in which I met Sailor Moon, but it's not a real adventure. I'm really looking forward to it and so are my friends. After all, high school life can be boring.
